

Certificate

Bio-based Product Label

N• BE-27/02/23/30

In accordance with the general rules and standards of the Biosourced Product Label,
the company:

Company name: **ÎSOHEMP**

Head office: Rue George Cosse 1, Z.I. Noville-Les-Bois 5380 **FERNELMONT - BELGIUM**

is authorised to affix the "Bio-based Product" label to the product, its packaging and any document directly relating to the product designated under the commercial reference:

Non-load-bearing hemp concrete insulation block.

Range of blocks in thicknesses of 75, 90, 120, 150, 200, 250, 300 and 360 mm, with a length of 600 mm and a height of 300 or 200 mm.

Manufactured by the factories at:

Rue de **la petite Bolette 15, Z.I. Noville-Les-Bois - 5380 FERNELMONT**

with the following certified characteristics:

30% bio-based

This certificate attests that this product has been audited at the manufacturing site, using the material balance method, as described in EN 16785-2:2018 "Biobased products — Biobased content — Part 2: Determination of biobased content using the material balance method", or the method for determining biobased content by radiocarbon analysis, as described in EN 16785-1:2016 "Biobased products — Biobased content — Part 1: Determination of biobased content by radiocarbon analysis and elemental analysis".

This certificate was issued on 07-04-2023 and, unless otherwise decided after this certification, particularly due to a change in the product, is valid until **07-04-2026**.
